DISCLOSEABLE TRANSACTION ENTERING INTO A FINANCE LEASE AS THE LESSOR

On 28 April 2025, Greengold Leasing, a subsidiary of the Company, entered into the Finance Lease with the Lessee, to obtain the ownership of the Assets from the Lessee at a consideration of RMB38,000,000 (equivalent to approximately HK\$40,432,000), which would be leased back to the Lessee for its use and possession for a term of 12 months.

Reference is made to (1) the discloseable transaction announcement of the Company dated 23 January 2025 in relation to the entering into of the Existing Finance Lease 1 between Greengold Leasing and the Lessee; and (2) the Existing Finance Lease 2 dated 21 April 2025 entered into between Greengold Leasing and the Lessee, pursuant to which all the applicable percentage ratios for the transactions thereunder were less than 5% and when aggregated with the transactions under the Existing Finance Lease 1, will not classify the matter in a transaction class higher than the discloseable transaction already disclosed as per the announcement of the Company of 23 January 2025 and hence exempt from the disclosure requirements under Chapter 14 of the Listing Rules.

As one of the applicable percentage ratios for the transactions contemplated under the Finance Lease, whether on a standalone basis or an aggregated basis, exceeds 5% but all of them are less than 25%, the entering into of the Finance Lease constitutes a discloseable transaction for the Company under the Listing Rules.

THE FINANCE LEASE AND INCIDENTAL DOCUMENTATION

The Board is pleased to announce that Greengold Leasing entered into the Finance Lease and Incidental Documentation, the principal terms of which are as follows:–

Date of the Finance Lease:

28 April 2025

The Finance Lease will take effect upon compliance of the applicable requirements of the Listing Rules by the Company.

Parties:

- (1) Greengold Leasing, a subsidiary of the Company, as the lessor; and
- (2) the Lessee.

To the best of the Directors' knowledge, information and belief having made all reasonable enquiry, the Lessee and its ultimate beneficial owner are Independent Third Parties.

Transfer of Assets and consideration

Greengold Leasing will be transferred the unencumbered ownership of the Assets from the Lessee on an "as-is" basis at the consideration of RMB38,000,000 (equivalent to approximately HK\$40,432,000) in cash, payable within 12 months from the date of the Finance Lease. The transfer agreement was entered into between Greengold Leasing and the Lessee on the date of the Finance Lease, effecting the terms of the Finance Lease in relation to the above-mentioned transfer of the Assets from the Lessee to Greengold Leasing.

Such consideration or financing amount was determined following arm's length negotiations by the parties to the Finance Lease with reference to the original cost of the Assets of approximately RMB68,532,000 (equivalent to approximately HK\$72,918,000), and their state including serviceable condition and depreciable life, which were reviewed by Greengold Leasing's experienced leasing team. The consideration amount for the transfer of ownership of the Assets will be funded through the internal resources of the Group and/or external banking facilities.

Lease period

Greengold Leasing will lease back the Assets to the Lessee for its use and possession for a term of 12 months commencing from the day the consideration for the Assets transfer has been paid by Greengold Leasing.

Payments under the Finance Lease

The total amount of payments for the Finance Lease is approximately RMB38,425,000 (equivalent to approximately HK\$40,884,000), comprising (a) the lease principal payment of RMB38,000,000 (equivalent to approximately HK\$40,432,000) and (b) the aggregate lease interest of approximately RMB425,000 (equivalent to approximately HK\$452,000). Both the lease principal and interest will be paid by two installments, the first instalment to be paid by the second month and the second instalment to be paid by the twelfth month, over the lease period.

The terms of the Finance Lease, including the lease principal and interest, were determined after arm's length negotiations between the parties to the Finance Lease with reference to the lending and interest rate environment including the loan prime rate published by the National Interbank Funding Center from time

to time (for reference purpose, the prevailing loan prime rate was 3.1% as at the date of the Finance Lease), and adjustments taking into account the principal amount of the Finance Lease and availability of funds, the interest risk of financing and servicing costs over the lease period, the credit risks associated and the overall return target and risk tolerance of the Group for the Finance Lease on a case by case basis.

Termination and transfer of the Assets to the Lessee

The Lessee may terminate the Finance Lease provided that all outstanding amounts due thereunder and a compensation equivalent to 20% of the total outstanding lease interest amount as at the time of early termination have been settled. At the end of the lease period or in the event of an early termination of the Finance Lease, subject to the settlement of all outstanding amounts due, the Lessee had agreed to purchase the Assets at a nominal purchase price of RMB1 (equivalent to approximately HK\$1.064).

Pledge

Pursuant to the asset pledge agreement entered into between Greengold Leasing and the Lessee on the date of the Finance Lease, although the ownership of the Assets shall be transferred to Greengold Leasing as lessor as part of the Finance Lease, the Assets are treated as security of payment obligations of the Lessee under the Finance Lease and the Lessee may continue to utilize the Assets during the lease term.

REASONS FOR AND BENEFITS OF ENTERING INTO THE FINANCE LEASE AND INCIDENTAL DOCUMENTATION

The entering into of the Finance Lease and Incidental Documentation is part of Greengold Leasing's ordinary and usual course of business and is expected to provide a stable revenue and cashflow to the Group.

The Directors consider that the Finance Lease and Incidental Documentation and the transactions contemplated thereunder are on normal commercial terms which are made on an arm's length basis and are fair and reasonable and in the best interests of the Group and the Shareholders as a whole.
