DISCLOSEABLE TRANSACTION ENTERING INTO THE FINANCE LEASES AS THE LESSOR

On 15 August 2019, Canton Risen, a subsidiary of the Company, entered into the Finance Leases with the Lessees, to acquire the ownership of the Assets from the Lessees for an aggregate consideration of RMB100,000,000 (equivalent to approximately HK\$113,600,000), which would be leased back to the Lessees for Lessee 1's use and possession for a term of 3 years.

As the applicable percentage ratios for the transactions contemplated under the Finance Leases and the incidental documentation exceed 5% but are less than 25%, the entering into of such transactions constitute a discloseable transaction for the Company under the Listing Rules.

THE FINANCE LEASES AND THE INCIDENTAL DOCUMENTATION

The Board is pleased to announce that Canton Risen entered into the Finance Leases and the incidental documentation, the principal terms of which are as follows:—

Date:

15 August 2019

The Finance Leases would be effective upon compliance of the applicable requirements of the Listing Rules by the Company.

Parties:

(1) Canton Risen, a subsidiary of the Company, as the lessor;

- (2) the Lessees; and
- (3) the Guarantor (in relation to the relevant guarantees).

To the best of the Directors' knowledge, information and belief having made all reasonable enquiry, each of the Lessees, the Guarantor and their ultimate beneficial owners are Independent Third Parties.

Transfer of Assets and consideration

Canton Risen will acquire the unencumbered ownership of the Assets from the Lessees on an "as-is" basis for RMB10,000,000 (equivalent to approximately HK\$11,360,000) for Asset No. 1, RMB40,000,000 (equivalent to approximately HK\$45,440,000) for Asset No. 2 and RMB50,000,000 (equivalent to approximately HK\$56,800,000) for Asset No. 3 respectively in cash and, payable within 1 month from the date of the Finance Leases to any of the Lessees as the Lessees may decide pursuant to the transfer agreements entered into between Canton Risen and the Lessees on the date of the Finance Leases.

Such consideration amount was determined following arm's length negotiations by the parties with reference to the original costs of Asset No. 1 of approximately RMB15,168,500 (equivalent to approximately HK\$17,231,416), Asset No. 2 of approximately RMB73,580,000 (equivalent to approximately HK\$83,586,880) and Asset No. 3 of approximately RMB70,501,500 (equivalent to approximately HK\$80,089,704) respectively. Approximately 56% of such consideration amount for the acquisition of the Assets is expected to be funded through external banking facilities and the remaining 44% is expected to be funded through the internal resources of the Group.

The consideration amount will provide additional liquidity for the Lessees.

Lease period

Canton Risen will lease back the Assets to the Lessees for Lessee 1's use and possession for a term of 3 years commencing from the day the consideration for the Assets transfer has been paid by Canton Risen. Unless otherwise waived by Canton Risen, the release of payment of the consideration for the Assets transfer by Canton Risen is conditional upon the fulfilment of certain conditions within 1 month from the date of the Finance Leases including, mainly, the satisfactory provision of the guarantees by the Guarantor.

Lease payments

Pursuant to Finance Lease No. 1, the total amount of lease payments is approximately RMB10,977,505.05 (equivalent to approximately HK\$12,470,446) (subject to changes of the benchmark interest rate for 3 years RMB loans published by the PBOC from time to time), comprising (a) the lease principal payment of RMB10,000,000 (equivalent to approximately HK\$11,360,000) and (b) the aggregate lease interest of approximately RMB977,505.05 (equivalent to approximately HK\$1,110,446) (subject to changes of the benchmark interest rate for 3 years RMB loans published by the PBOC from time to time). Both the lease principal and the interest shall be payable every month in thirty six (36) installments during the lease period with the first installment being payable on 18 September 2019.

Pursuant to Finance Lease No. 2, the total amount of lease payments is approximately RMB43,910,020.22 (equivalent to approximately HK\$49,881,783) (subject to changes of the benchmark interest rate for 3 years RMB loans published by the PBOC from time to time), comprising (a) the lease principal payment of RMB40,000,000 (equivalent to approximately HK\$45,440,000) and (b) the aggregate lease interest of approximately RMB3,910,020.22 (equivalent to approximately HK\$4,441,783) (subject to changes of the benchmark interest rate for 3 years RMB loans published by the PBOC from time to time). Both the lease principal and the interest shall be payable every month in thirty six (36) installments during the lease period with the first installment being payable on 18 September 2019.

Pursuant to Finance Lease No. 3, the total amount of lease payments is approximately RMB54,887,525.27 (equivalent to approximately HK\$62,352,228.71) (subject to changes of the benchmark interest rate for 3 years RMB loans published by the PBOC from time to time), comprising (a) the lease principal payment of RMB50,000,000 (equivalent to approximately HK\$56,800,000) and (b) the aggregate lease interest of approximately RMB4,887,525.27 (equivalent to approximately HK\$5,552,228.71) (subject to changes of the benchmark interest rate for 3 years RMB loans published by the PBOC from time to time). Both the lease principal and the interest shall be payable every month in thirty six (36) installments during the lease period with the first installment being payable on 18 September 2019.

Pursuant to the Finance Leases, the aggregate lease interest amounts are calculated on the then outstanding lease principal payment amount (being initially the amount of consideration for the Assets transfer paid by Canton Risen) at 30% above the benchmark interest rate for 3 years RMB loans published by PBOC from time to time (for reference purpose, the prevailing benchmark interest rate for 3 years RMB loans published by the PBOC is 4.75% and therefore the interest rate is approximately 6.175% p.a. as at the date hereof). Such interest rate was determined after arm's length negotiations between the parties to the Finance Leases with reference to the principal amount of the leases, the return of the Finance Leases for the Group and the credit risks associated with the Finance Leases.

The Lessees will facilitate all credit checks by Canton Risen with the Credit Reference Center of the PBOC from time to time.

Termination and purchase option

The Lessees may terminate the Finance Leases provided that all outstanding amounts due thereunder and a compensation equivalent to 10 percent of the total outstanding lease interest amount as at the time of early termination have been settled by them. All payment obligations of the Lessees towards Canton Risen are joint and several, regardless of whether any of them may have actual possession and/or usage of the Assets. At the end of the lease period or in the event of an early termination of the Finance Leases, subject to the settlement of all outstanding amounts due, the Lessees will have the right to purchase the Assets at an aggregate nominal purchase price of RMB300 (equivalent to approximately HK\$340.80).

Guarantee deposits

The Lessees will pay interest-free deposits of RMB400,000 (equivalent to approximately HK\$454,400), RMB1,600,000 (equivalent to approximately HK\$1,817,600) and RMB2,000,000 (equivalent to approximately HK\$2,272,000) to Canton Risen on the same day the consideration for the Assets transfer has been paid by Canton Risen to secure their payment obligations under Finance Lease No.1, Finance Lease No. 2 and Finance Lease No. 3 respectively.

Guarantees

The Guarantor had executed the guarantees on the date of the Finance Leases guaranteeing Canton Risen, effectively on a joint and several basis, the due and punctual settlement of any and all amounts payable by the Lessees under the Finance Leases.

Pledges

Pursuant to the asset pledge agreements entered into between Canton Risen and the Lessees on the date of the Finance Leases, although the ownership of the Assets shall be transferred to Canton Risen as lessor as part of the Finance Leases, the Assets are treated as security of payment obligations of the Lessees under the Finance Leases and the Lessees may continue to utilize the Assets during the lease term.

Additionally, Lessee 1 had entered into a pledge agreement in favour of Canton Risen on the date of the Finance Leases, pledging its rights in receivables from garbage processing and sale of electricity as security of its payment obligations under the Finance Leases.

Lessee 2 had also executed a share pledge agreement on the date of the Finance Leases, pledging 90% shareholding interest in Lessee 1 (representing RMB93,823,920 (equivalent to approximately HK\$106,583,973) in value of the registered capital of Lessee 1 as at the date of the Finance Leases) in favour of Canton Risen for a term of 4 years.

Consultancy agreements

In addition, on 15 August 2019, Canton Risen entered into consultancy agreements with Lessee 1 whereby Canton Risen has agreed to provide financial consultancy service to Lessee 1 and Lessee 1 has agreed to pay an aggregate fee of RMB3,300,000 (equivalent to approximately HK\$3,748,800) to Canton Risen.

Such fee was determined after arm's length negotiations between the parties to the Finance Leases with reference to the return of the Finance Leases for the Group as a whole and would be payable in lump sum to Canton Risen within three business days (but if the three-business-day period shall lie between two months, the consultancy fee shall be paid by the end of the earlier month) after Lessee 1 confirms in writing that Canton Risen has completed the provision of consultancy service pursuant to the agreements.

REASONS FOR AND BENEFITS OF ENTERING INTO THE FINANCE LEASES AND THE INCIDENTAL DOCUMENTATION

Since the establishment of Guangdong Financial Leasing in 2014, the Group has actively engaged in and accumulated relevant experience in the operation and management of finance leasing business. The entering into of the Finance Leases and the incidental documentation is part of Canton Risen's ordinary and usual course of business which is expected to provide stable revenue and cashflow to the Group.

The Directors consider that the Finance Leases and the incidental documentation and the transactions contemplated thereunder are on normal commercial terms which are made on an arm's length basis and are fair and reasonable and in the best interests of the Group and the Shareholders as a whole.
