**DISCLOSEABLE TRANSACTION  
ENTERING INTO A FINANCE LEASE AS THE LESSOR**

On 8 August 2018 Canton Risen, a wholly-owned subsidiary of the Company, entered into the Finance Lease with the Lessees, to acquire the ownership of the Assets from the Lessees for RMB30,000,000 which would be leased back to the Lessees for their use and possession for a term of 5 years.

As the applicable percentage ratios for the transaction constituted under the Finance Lease exceed 5% but are less than 25%, the Finance Lease constitutes a discloseable transaction for the Company under the Listing Rules.

**THE FINANCE LEASE AND INCIDENTAL DOCUMENTATION**

The Board is pleased to announce that Canton Risen respectively entered into the Finance Lease and incidental documentation, the principal terms of which are as follows: –

**Date:**

8 August 2018

**Parties:**

- (1) Canton Risen, a wholly-owned subsidiary of the Company, as the lessor; and
- (2) the Lessees.

To the best of the Directors' knowledge, information and belief having made all reasonable enquiry, each of the Lessees and their ultimate beneficial owners are Independent Third Parties.

**Transfer of Assets and consideration**

Canton Risen will acquire the unencumbered ownership of the Assets from the Lessees on an "as-is" basis for RMB30,000,000 in cash (equivalent to approximately HK\$34,470,000), payable within 1 month from the date of the Finance Lease to any of the Lessees as the Lessees may decide, pursuant to a transfer agreement entered into between Canton Risen and the Lessees on the date of the Finance Lease.

Such consideration amount was determined following arm's length negotiations by the parties with reference to the original cost of the Assets of RMB37,446,000 (equivalent to approximately HK\$43,025,454) and the value of the Pledged Shares under two share pledges executed by Lessee 2 in favour of Canton Risen on the date of the Finance Lease. 80 percent of such consideration is expected to be funded through external banking facilities and the remaining 20 percent is expected to be funded through the internal resources of the Group.

The consideration amount will be used for making payments for the Assets and providing additional liquidity to the Lessees.

**Lease period**

Canton Risen will lease back the Assets to the Lessees for their use and possession for a term of 5 years commencing from the day the consideration for the Assets transfer has been paid by Canton Risen. Unless otherwise waived by Canton Risen, the release of payment of the consideration for the Assets transfer by Canton Risen is conditional upon the fulfilment of certain conditions within 1 month from the date of the Finance Lease including, mainly, the satisfactory provision of the relevant guarantees by the Guarantors and the payment of deposit by the Lessees.

## **Lease payments**

The lease interest amounts are calculated on the then outstanding lease principal payment amount (being initially the amount of consideration for the Assets transfer paid by Canton Risen) at 35% above the benchmark interest rate for 5-year RMB loans published by the PBOC from time to time (representing approximately 6.4125% p.a. as at the date hereof). Such interest rate was determined after arm's length negotiations between the parties to the Finance Lease by reference to the principal amount of the lease, the expected return of the Finance Lease for the Group and the credit risks associated with the Finance Lease.

The lease payments are expected to be made by the Lessees to Canton Risen in the following manner:

The Lessees will facilitate all credit checks by Canton Risen with the central credit appraisal system of the PBOC from time to time.

### **Termination and purchase option**

The Lessees may terminate the Finance Lease provided that all outstanding amounts due thereunder have been settled by the Lessees. All payment obligations of the Lessees towards Canton Risen are joint and several, regardless of whether any of them may have actual possession and/or usage of the Assets. At the end of the lease period or in the event of an early termination of the Finance Lease, subject to the settlement of all outstanding amounts due, the Lessees will have the right to purchase the Assets at the nominal purchase price of RMB100 (equivalent to approximately HK\$115).

### **Guarantee deposit**

The Lessees will pay an interest-free deposit of RMB2,400,000 (equivalent to approximately HK\$2,757,600) to Canton Risen on the same day the consideration for the Assets transfer has been paid by Canton Risen to secure part of their payment obligations under the Finance Lease.

### **Guarantees**

The Guarantors had each executed a guarantee on the date of the Finance Lease guaranteeing Canton Risen, effectively on a joint and several basis, the due and punctual settlement of any and all amounts payable by the Lessees under the Finance Lease.

### **Assets pledge**

Pursuant to an assets pledge agreement entered into between Canton Risen and the Lessees on 8 August 2018, although the ownership of the Assets shall be transferred to Canton Risen as lessor as part of the Finance Lease, the Assets are treated as security of the payment obligations of the Lessees under the Finance Lease and the Lessees may continue to utilize the Assets during the lease term.

## **Share pledge by Lessee 2 and supplemental agreement**

Lessee 2 also executed two share pledge agreements on the date of the Finance Lease pledging its 49% and 51% shareholding interest in Guarantor 3 respectively (“**Pledged Shares**”) (representing approximately RMB14,700,000 and RMB15,300,000 respectively (equivalent to approximately HK\$16,890,300 and HK\$17,579,700) representing the share capital of Guarantor 3 as at the date of the share pledge agreements) for a period of 6 years in favour of Canton Risen to secure the payment obligations of the Lessees under the Finance Lease.

Pursuant to a supplemental agreement entered into between Canton Risen and the Lessees on the date of the Finance Lease, registration procedure for the share pledge of Lessee 2’s 49% shareholding interest in Guarantor 3 will commence within 10 days after the signing of the supplemental agreement while the registration procedure for the share pledge of Lessee 2’s remaining 51% shareholding interest in Guarantor 3 will commence if and when the parties further negotiate successfully for an additional finance lease with a principal amount not exceeding RMB30,000,000. Meanwhile, Lessees 2 will not be precluded from seeking out other financing arrangement with respect to such 51% Pledged Shares, provided that such pledge may not be released until all outstanding amounts due under the Finance Lease are settled by the Lessees.

## **Consultancy Agreement**

In addition, on the date of the Finance Lease, Canton Risen entered into a consultancy agreement with Lessee 1 whereby Canton Risen has agreed to provide financial consultancy service to Lessee 1 and Lessee 1 has agreed to pay a fee of RMB2,250,000 (equivalent to approximately HK\$2,585,250) to Canton Risen. Such fee was determined after arm’s length negotiations between the parties to the Finance Lease by reference to the return of the Finance Lease for the Group as a whole and payable within 3 days from the date of the Finance Lease.

## **REASONS FOR AND BENEFITS OF ENTERING INTO THE FINANCE LEASE AND INCIDENTAL DOCUMENTATION**

The entering into of the Finance Lease and incidental documentation is part of Canton Risen’s ordinary and usual course of business which is expected to provide a stable revenue and cashflow to the Group.

The Directors (including the independent non-executive Directors) consider that the entering into of the Finance Lease and incidental documentation is on normal commercial terms which are made on an arm's length basis and are fair and reasonable and in the best interests of the Group and the Shareholders as a whole.

## **INFORMATION ON THE ASSETS**

The Assets comprised designated electrical machinery and equipment for waste treatment, including pyrolysis furnace (with exhaust gas purification system), garden waste crushing machine, pyrolysis water treatment system, large-size garbage crushing line, coating decay-decomposition system, aerobic fermentation vessel bioreactor and RDF preparation system for which the Lessees' businesses are permitted to use (the "Assets"). The Lessees will bear any maintenance, taxation and other costs and levies associated with the Assets.

## **LISTING RULES IMPLICATION**
