## **THE FINANCE LEASE AND THE INCIDENTAL DOCUMENTATION**

The Board is pleased to announce that Canton Risen respectively entered into the Finance Lease and the incidental documentation, the principal terms of which are as follows: –

### **Date:**

19 November 2018

### **Parties:**

- (1) Canton Risen, a wholly-owned subsidiary of the Company, as the lessor; and
- (2) the Lessee; and
- (3) the Guarantors (in relation to the relevant guarantees).

To the best of the Directors' knowledge, information and belief having made all reasonable enquiry, the Lessee, the Guarantors and their ultimate beneficial owners are Independent Third Parties.

### **Transfer of Assets and consideration**

Canton Risen will acquire the unencumbered ownership of the Assets from the Lessee on an "as-is" basis for RMB27,700,000 (equivalent to approximately HK\$31,245,600) in cash, payable within 1 month from the date of the Finance Lease to the Lessee pursuant to a transfer agreement entered into between Canton Risen and the Lessee on the date of the Finance Lease.

Such consideration amount was determined following arm's length negotiations by the parties with reference to the original cost of the Assets of RMB34,919,300 (equivalent to approximately HK\$39,388,970). The consideration amount for the acquisition of the Assets will be funded through the internal resources of the Group.

The consideration amount will provide additional liquidity for the Lessee.

### **Lease period**

Canton Risen will lease back the Assets to the Lessee for its use and possession for a term of 3 years commencing from the day the consideration for the Assets transfer has been paid by Canton Risen. Unless otherwise waived by Canton Risen, the release of payment of the consideration for the Assets transfer by Canton Risen is conditional upon the fulfilment of certain conditions within 1 month from the date of the Finance Lease including, mainly, the satisfactory provision of the relevant guarantees by the Guarantors and payment of guarantee deposit by the lessee.

## **Lease payments**

Pursuant to the Finance Lease, the total amount of lease payments is approximately RMB31,002,496 (equivalent to approximately HK\$34,970,815), comprising (a) the lease principal payment of RMB27,700,000 (equivalent to approximately HK\$31,245,600) and (b) the aggregate lease interest of approximately RMB3,302,496 (equivalent to approximately HK\$3,725,215) (subject to changes of the benchmark interest rate for 3 years RMB loans published by the PBOC from time to time). Both the lease principal and the interest shall be payable every month in thirty-six (36) installments during the lease period with the first installment payable on 18 December 2018.

The aggregate lease interest amounts are calculated on the then outstanding lease principal payment amount (being initially the amount of consideration for the Assets transfer paid by Canton Risen) at 55% above the benchmark interest rate for 3 years RMB loans published by the PBOC from time to time (for reference purpose, the prevailing benchmark interest rate for 3 years RMB loans published by the PBOC is 4.75% and therefore the interest rate is approximately 7.36% p.a.). Such interest rate was determined after arm's length negotiations between the parties to the Finance Lease with reference to the principal amount of the lease, the return of the Finance Lease for the Group and the credit risks associated with the Finance Lease.

The Lessee will facilitate all credit checks by Canton Risen with the central credit appraisal system of the PBOC from time to time.

## **Termination and purchase option**

The Lessee may terminate the Finance Lease provided that all outstanding amounts due thereunder and a compensation equivalent to 20 percent of the total outstanding lease interest amount as at the time of early termination have been settled by the Lessee. At the end of the lease period or in the event of an early termination of the Finance Lease, subject to the settlement of all outstanding amounts due, the Lessee will have the right to purchase the Assets at the nominal purchase price of RMB100 (equivalent to approximately HK\$112.8).

## **Guarantee deposit**

The Lessee will pay an interest-free deposit of RMB2,700,000 (equivalent to approximately HK\$3,045,600) to Canton Risen on the same day the consideration for the Assets transfer has been paid by Canton Risen to secure its payment obligations under the Finance Lease.

## **Guarantees**

The Guarantors had each executed a guarantee on the date of the Finance Lease guaranteeing Canton Risen, effectively on a joint and several basis, the due and punctual settlement of any and all amounts payable by the Lessee under the Finance Lease.

## **Asset pledge**

Pursuant to an asset pledge agreement entered into between Canton Risen and the Lessee on 19 November 2018, although the ownership of the Assets shall be transferred to Canton Risen as lessor as part of the Finance Lease, the Assets are treated as security of the payment obligations of the Lessee under the Finance Lease and the Lessee may continue to utilize the Assets during the lease term.

## **Consultancy agreement**

In addition, on 19 November 2018, Canton Risen entered into a consultancy agreement with the Lessee whereby Canton Risen has agreed to provide financial consultancy service to the Lessee and the Lessee has agreed to pay a fee of RMB1,108,000 (equivalent to approximately HK\$1,249,824) to Canton Risen. Such fee was determined after arm's length negotiations between the parties to the Finance Lease by reference to the return of the Finance Lease for the Group as a whole and would be payable in a lump sum to Canton Risen within three business days (but if the three-business-day period shall lie between two months, the consultancy fee shall be paid by the end of the earlier month) after the Lessee confirms in writing that Canton Risen has completed the provision of consultancy service pursuant to the agreement.

## **REASONS FOR AND BENEFITS OF ENTERING INTO THE FINANCE LEASE AND THE INCIDENTAL DOCUMENTATION**

The entering into of the Finance Lease and the incidental documentation is part of Canton Risen's ordinary and usual course of business which is expected to provide a stable revenue and cashflow to the Group.

The Directors (including the independent non-executive Directors) consider that the Finance Lease and the incidental documentation and the transactions contemplated thereunder are on normal commercial terms which are made on an arm's length basis and are fair and reasonable and in the best interests of the Group and the Shareholders as a whole.

## **INFORMATION ON THE ASSETS**

The Assets comprised designated equipment for film production and its ancillary equipment, integrated courier bag making machines and other production equipment situated in the two factories of the Lessee in Chenghai District, Shantou City (汕头市澄海區).

## **LISTING RULES IMPLICATION**

As the applicable percentage ratios for the transactions constituted under the Finance Lease and the incidental documentation exceed 5% but are less than 25%, the transactions contemplated under the Finance Lease and incidental documentation constitute a discloseable transaction for the Company under the Listing Rules.
